SPRING GOODS,

Together with an enormous stock of DOMESTICS, purchased in the Fall at very low figures, with a view of being prepared for the EARLY SPRING TRADE, without being subjected to the exorbitant rates of Rail Road charges on such goods as are sold at a fraction above Eastern cost, we are prepared to show, and will be most happy to sell the

MOST COMPLETE AND EXTENSIVE STOCK OF
DRY GOODS,
Ever before offered in the West!

Being connected with several large manufacturing establishments and importing houses at the East, giving us an advantage over any other Mercantile House in this State, and having long resided and done business in this city, and our established principles of doing business being well known to every city and country customer, to be of the most liberal nature, we flatter ourselves that we can say with safety that we consider competition quite out of the question.

We would say to

COUNTRY MERCHANTS

who design going East to purchase, that we would esteem it a favor if they would honor us with a call before leaving for New York and Boston, as we feel quite confident that we can convince them that it is to their interest to purchase in Milwaukee.

"I REPEAT THAT I NEVER CAN AND NEVER WILL VOTE, AND NO EARTHLY POWER WILL EVER MAKE ME VOTE TO SPREAD SLAVERY OVER TERRITORY WHERE IT DOES NOT EXIST."—Henry Clay.

"The freemen of the North have a deep interest in keeping labor free, exclusively free, in the new territories. * * * * I have made up my mind, for one, that, UNDER NO CIRCUMSTANCES, WILL I CONSENT TO THE FURTHER EXTENSION OF THE AREA OF SLAVERY in the United States, *or to the further increase of State representation in the House of Representatives.*"—Daniel Webster.

"I heartily concur in all movements which have for their object to repair the mischief arising from the violation of good faith in the repeal of the Missouri Compromise. I am opposed to Slavery in the abstract, and upon principles sustained and made habitual by settled conviction. While I feel inflexible in the belief that it ought not to be interfered with where it exists under the shield of State sovereignty, I am as inflexibly opposed to its extension on this continent beyond its present limits."—John C. Fremont.

The above rates for the Daily and Tri-Weekly are somewhat less than our regular terms. For the Weekly they are the same as $1 per year. Circulate the Documents.

FREEMEN AWAKE!
Organize for the Conflict!!

ALL THE ELECTORS in the City of Milwaukee opposed to the policy of the present Administration—who believe in the NATIONALITY OF FREEDOM, and are in favor of FREE KANSAS and FREMONT, are invited to meet at Concert Hall, in the 4th Ward, on Wednesday evening next, at 8 o'clock, for the purpose of forming a Fremont Club for this City.

By Order of the Committee.

NEWS OF THE MORNING.

Another arrival from Europe, the steamer *Lebanon*, brings us some items of foreign news, but no later markets. Russia is again fortifying her strong places on the Black Sea, and Italy is in a ferment. The Peace may turn out, after all, to be only a Truce.

An arrival from California at New York, brings nearly two millions of gold, and some interesting items of news.

The Fremont cause is gaining ground, daily, throughout the New England, Middle and Western States. The signs are all auspicious for Freedom and Reform.

The vote in this city yesterday, on the question of loaning the public credit to the amount of $100,000, in aid of the Milwaukee and Beloit Rail Road, resulted almost unanimously in favor of the loan.

The House of Representatives is busy with the Brooks case and probably took a vote, yesterday, on the question of expelling the ruffianly assailant of Senator Sumner.

The New York Market of yesterday shows a small decline in Wheat and Flour. Money is very plenty and stocks up.

A meeting is to be held in this city to-morrow evening, to organize a Fremont Club for the Presidential Campaign. The "rural districts" are all alive and will give a glorious account of themselves in November.

The Call to Quarters!

The Electors of this city, who are in favor of Freedom and Fremont, and opposed to Slavery and Sham Democracy, are summoned to meet at Concert Hall, Fourth Ward, *to morrow* evening, to organize for the Campaign. We hope to see a full turn out, on the occasion, and the work of organization effectively commenced. Let every friend of Free Institutions, of Liberty and Union, be on hand, ready to do his part in the good work.

☞ The Milwaukee *Sentinel* charges the Democrats with an alliance with the Know Nothings on the passage of Douglas' Kansas bill. The charge is false and base. No alliance whatever took place. The Know Nothings can vote as they please, but the Democrats don't want their help.—*Beaver Dam Sentinel.*

Indeed they do, and as the *News* has "officially" announced, they put in this Know Nothing amendment to the Kansas bill *on purpose to secure "their help."* Here is what the *News* Washington correspondent says of the Know Nothing measure:

"The passage yesterday morning of the Kansas Bill is, however, truly important, that measure being one of an eminently *healing and conciliatory character.* It is the bill of Douglas, framed on the basis of that presented by Mr. Tombs, and amended in minor particulars by Senators Geyer and Adams. The *patriotism* of Democratic Senators, and especially of Hunter and Mason, was conspicuous in *conceding, for the sake of saving the principles of the bill, to the Know Nothings,* the exclusion of foreigners who had merely declared their intentions and were not naturalized, from the right to vote on the character of the local institutions of the new State. That concession should go far to disarm opposition in the House."

This correspondent, undoubtedly speaking from authority, says that the amendment to the Douglas' Kansas bill, excluding foreigners from voting, was *conceded to the Know Nothings* in order to save the bill i. e., to secure enough Know Nothings for it, to ensure its passage.—And the bid had the desired effect, since the Democrats and Know Nothings, Natural Allies, voted together for giving Slavery another chance in Kansas by disfranchising all foreign-born residents who had declared their intentions to become citizens.

Vote on the Railroad Ordinance.

The vote taken in this city, yesterday, on the question of loaning $100,000 of our city bonds in aid of the Milwaukee & Beloit Railroad, resulted in the affirmative by an overwhelming majority. The following is the state of the poll;

	For the Loan.	Against do.
First Ward,	69	7
Second Ward,	46	10
Third Ward,	229	8
Fourth Ward,	206	1
Fifth Ward,	426	2
Sixth Ward,	46	2
Seventh Ward,	193	17
	1,215	44

Although the vote polled was comparatively a light one, the expression in favor of the loan is decisive and substantially unanimous. Speed the good work!

More Emigrants.—Between two and three hundred Norwegian emigrants landed here yesterday, from the steamer *Traveller*, and took the afternoon train of the Milwaukee and Mississippi Railroad for their new home in Dane county.

For the Daily Sentinel.

Mass Meeting at Whitewater.

Whitewater, Wis., July 14, '56.

Messrs. Editors:—Saturday evening last was a proud time for the cause of Freedom in Whitewater.

Pursuant to a call signed by about eighty of the best known and most influential of our citizens, some *six hundred* people, without respect to party, assembled at Metropolitan Hall for the purpose of ratifying the nominations of the Philadelphia Convention, and forming a Fremont Club.

Hon. J. K. Pike was called to the Chair, and J. S. Partridge was appointed Secretary. The Chair appointed a committee of three consisting of H. J. Curtice, Esq., Hon. Salmous Wakeley and Hon. Rufus Cheney, to draft a constitution for a permanent organization.

While the committee were out, B. G. Noble, Esq., being loudly called for, came forward and made one of the ablest political speeches it has ever been our privilege to listen to. He placed John C. Fremont before the people in his true light—upon that broad National Platform that reaches from Maine to Georgia, from the Atlantic to the Pacific. His arguments were clear, concise and convincing. The speech lasted about an hour and a half; after which the committee reported a constitution for the Whitewater Fremont Club, and the meeting proceeded to elect the following officers:

President—Hon. Salmous Wakeley.
Vice President—Hon. J. K. Pike.
Secretary—J. A. Leonard.
Corresponding Secretary—H. J. Curtice.
Treasurer—Alex. Graham.
Executive Committee—Wm. DeWolf, J. S. Partridge, D. S. Cook, T. Bassett and M. E. Congar.

The Whitewater band played during the evening in their best style.

The meeting adjourned with three cheers for Fremont, three for B. G. Noble, and three for the Whitewater band.

You may put Whitewater down for 250 *majority* for John C Fremont!

J. S. PARTRIDGE, Secretary.

The Exile from Virginia.

We alluded, a day or two since, to the expulsion of a citizen of Virginia, by the "chivalry" of that State, for the crime of attending the Democratic Republican Convention at Philadelphia and declaring for Freedom and Fremont. The New York *Evening Post* of July 9th contains a letter from this exile for opinion's sake, which we copy and commend to the notice of our readers:

Willard's Hotel, July 7.

Dear Sir:—I thank you for the kind notice of me in the Evening Post of the 1st instant, but would correct one or two slight errors in your notice of that date. You speak of Clarke County as the largest slaveholding county in Virginia, and having more slaves than freemen.—This is not strictly correct. Clarke is a very small county on the map, not being more than ten by fourteen miles in extent. I believe it is generally considered, by its citizens at least, one of the richest farming counties in the State. It has a greater proportionate slave population than any other county west of the Blue Ridge. The last census gives the following. Whites, 3,614; slaves, the same precisely, 3,614; and free colored 124.

Your other error was mortifying to me, for you say I am an extensive planter—I only consider myself an ordinary farmer. I am certainly not a planter, for the sweat of unpaid labor has never moistened my fields, and, while I should be unwilling to acknowledge any man master, I would scorn to call any man slave. One month ago I supposed I owned 800 acres of Virginia soil, but perhaps the respectable gentlemen who have driven me from the State have confiscated my property by a new code established very recently. My wife, who reached me on Saturday evening, informs me that when she appealed to the respectable gentlemen who demanded either my blood or banishment from the State, to know what law of Virginia I had violated; they replied to her that they did not know that I had broken any law, but that I had broken the "rules of Virginia." Now, as I am not acquainted with these "rules of Virginia," I think it very possible that they may apply to property as well as personal freedom. It seems to me that confiscation is just as suitable a "rule" as exile, to apply to freedom of opinion. One of the old rules of Virginia, as I had supposed, was free speech, and, in the language of Jefferson, I had thought that even "error of opinion might be safely tolerated where reason is left to combat it."

On my return from the Philadelphia Convention, I received at this place letters from my friends, assuring me that I could not go home without meeting personal violence. In this difficulty General Spinner, of your State, kindly offered his assistance, and after an absence of two days returned on Saturday evening, with my wife and a part of my family to this place. My poor wife was almost broken down with loss of sleep and excitement, having been haunted for two weeks, with visions of murder and assassination. She is now, however, much improved by the rest of a quiet Sabbath, and by the generous sympathy which has seemed to breathe like a new atmosphere around her.

We intend to leave this city in a day or two, seeking a temporary refuge in some of the quiet hills of the free North. Yours truly,

J. C. UNDERWOOD.

Comment would be wasted upon such a case as this. The mere recital must make the cheek of every true American crimson with shame. What a mockery to boast of Free Speech, Free Thought, or Free Press, as among the rights and privileges of citizens of the U. S., when men can thus be driven forth from their homes and compelled to flee for their lives, for daring to utter a sentiment in favor of Universal Liberty!

Correspondence of the Commercial Advertiser.

Washington, July 9.

Intelligent Democrats from the Northwest have arrived here, whose accounts of the political excitement in that quarter are very gloomy.—In Ohio, they say, the feeling is all in one way and that is against the Democrats. Further, they say, the same feeling appears to be very general throughout the whole Northwest. There are such things as sudden popular impulses, which sweep away old party barriers, and it is about time for the recurrence of one of them. The very belief that the public mind leans in favor of any party is apt to increase its strength, and extend its influence. Thus Pennsylvania begins to feel the presence of anti-Buchanan elements, and if the impression be permitted to prevail, that Buchanan's chances are hopeless, he will be deserted with as little ceremony as if he were a Franklin Pierce.

The "signs of the times" all indicate such a revolution as this Washington correspondent hints at. The popular current is already running full and strong, in favor of Fremont and Freedom; and it will continue to grow fuller and stronger from now till November. In all quarters of the North West we hear of leading and influential Democrats abandoning the Pro-Slavery Buchanan party and declaring for Fremont. It looks, indeed, as if the *stampede* was to be more general and overwhelming than ever before occurred in our political history. And when the *rush* comes, Pennsylvania will go with her sister Free States for Liberty and Union, against Slavery and Sham Democracy.

The Hair-lipped Germans.—Since the Germans of Cleveland have come out for Fremont and Freedom, the *Plaindealer*, edited by the Postmaster, Grey, of that city, denounces them in the bitterest and most scurrilous language.—Among other things it says, "These German ingrates are known as busy-bodies and mischief-makers in every community where they reside. They were driven out of Germany for their meddlesomeness, and are a curse to any country or community. These hair-lipped Germans, these Red Republicans know it."

It is instructive to remark that the *Plaindealer* never found out what mischevious, ungrateful, "hair-lipped" fellows, these Germans were, till they abandoned the sham democracy, and joined the standard of Freedom, Humanity and Reform.

United States Public Debt.—On the 1st of June 1856, the total debt of the U. S. amounted to $40,049,809.75. Since that time this amount has been reduced to $32,963,892.99; thus: Paid on Texas debt 6,820,016.77; and United States stock redeemed during the month of June $265,-300.

Recruits for Freedom.—The Neenah *Conservator* says:—"Hon. Joseph Turner, President of the Corporation of Menasha, an old Jackson and Van Buren Democrat of New York, and for a long time Democratic Senator from Waukesha county, in this State, has given in his adhesion to the true Democracy of this day, as has also J. B. Hamilton, Esq., President of the Corporation of Neenah, heretofore a strong party Democrat and by them elected District Attorney for this county."

And the Fond du Lac *Herald* adds:—Hon. John A. Eastman of this city, who was an ardent Pierce man in 1852, also Hon. M. C. Darling and a long list of old line Democrats whom we could name, are now actively at work for Fremont and Dayton.

An Interesting Incident.—An interesting incident occurred at the Fremont ratification meeting in Bangor. A brother of Senator Hamlin presided, who had once been an active whig, and is now an equally influential Republican.—The senator was present and made an eloquent speech in support of Fremont. In the course of it he thus beautifully alluded to his great political differences and present unity of sentiment with his brother:

"You and I, sir, (turning to the President, his brother,) for the first time in our lives, stand upon the same political platform, and battle for the same great cause. And let me tell you, sir, that cause involves the destiny of your country and mine. When you was the candidate of the great and respectable whig party for Governor of our native State, in which we both feel so much pride, you did not receive my suffrage, and when I was the humble candidate of the late democratic party for its national representative, I did not receive your suffrage. Now, thank God, we stand firmly together, upon a platform broad as the Union, and with the Declaration of Independence and the Constitution for our principles."

Waukesha County Fremont Club Meeting.

At a meeting of the Waukesha County Fremont Club at the Court House in Waukesha, on Saturday, June 12th, a committee consisting of Wm. Dawes, W. D. Bacon, B. N. Davis of Waukesha, A. R. Hinkley of Eagle, and Dr. Lewis of Oconomowoc was appointed to prepare a constitution for said club, and report at an adjourned meeting to be held at the Court House in Waukesha, Friday, July 18th, at 3 o'clock P. M. All citizens of Waukesha interested in such organization are invited, and expected to attend.

The following resolution was adopted:

Resolved, That the Vice Presidents of this association be, and are hereby requested to proceed without delay in their respective towns, to effect the organization of a Fremont Club auxiliary to the county club—also that they take efficient measures to obtain pledges to aid in publishing a County Campaign paper, and that the pledges thus obtained, be forwarded to the care of W. D. Bacon.

Wm. Dawes, Chairman.

A. G. Hanford, Sec.

Milwaukee and Waukesha papers are requested to copy.

The Yankees and Fremont.

Extract of a letter from Worcester, Mass., July 7th.

"The Yankees are wide awake for Fremont and Dayton. A real gun-cotton excitement prevails at all the meetings, and it seems likely that this excitement will rise to a genuine tempest before election. No doubt at all is entertained, by those who are well posted, as to the success of the Republican ticket in all the New England States by an overwhelming majority."

Pennsylvania.—Lieut. Gov. Roberts of Kansas, and Gen. Lowry, formerly Private Secretary of Gov. Reeder, have taken the stump in Pennsylvania, against Buchanan.

Shocking Murder at Sauk City! Attempted Lynching of the Murderer—The Military Called out and Quiet Restored.

A tragical affair occurred at Lower Sauk on Thursday last. Hunter Davis, an old resident of the county, living back a few miles from Sauk, was shot by one William Millard and instantly killed. The circumstances were briefly as follows:

There had been a personal difficulty between Davis and Millard for some time past, growing out of some improper familiarities on the part of the latter with Davis' wife. Davis had threatened to kill him, and came into the village one day last week, armed with a rifle and a bowie-knife for that purpose, as he avowed. He came upon Millard in a bar-room, drew his knife, and was about to attack him, when the latter begged him to desist, said he was not armed, that he would make amends for the past, or fight with him when he was prepared. They finally agreed to meet in Sauk village last Monday and settle the affair in some manner. Davis went home, and did not return till last Thursday. At that time he again went to Sauk armed. His friends there advised him to settle the matter peaceably and persuaded him to give up his arms.

It was proposed that disinterested arbiters should be elected to determine what reparation Millard should make. They did not encounter each other during the day, until about six o'clock in the afternoon. At that time Davis was walking along the street with a friend. As they were about passing a warehouse, a man stopped his companion to speak with him. Davis passed on, when Millard, who was concealed in the warehouse, fired upon him from the second story window. The gun was a double-barreled shot-gun loaded with a handfull of balls. The charge struck Davis in the lower part of the face, the neck and thorax mangling him terribly and, of course, killing him instanteously.

Millard immediately went to a justice of the peace and gave himself up.

Great excitement prevailed at Sauk yesterday. The people from the country poured in by the wagon load, determined upon lynching the murderer. The German Military company of Sauk city were called out to guard the prisoner. The authorities adopted vigorous measures, and closed all the places where liquor was sold. This powerful agent for exciting the passions of a mob being taken away, the excitement began to cool down. The crowd dispersed gradually, and last evening all was quiet and orderly.—*Madison State Journal, July 14th.*

A Pleasant Hour.

In company with several others, by invitation of Mr. J. Hibbard, we yesterday afternoon paid a visit to the new schooner *Hans Crocker*, which came into this port on Tuesday. The vessel was built at Milwaukee, and is owned by W. B. Hibbard, and her master, Captain John Stewart.—She is 133 feet keel, 32 ft. 9 in. beam, and 11 ft. 6 in. hold, rating 474 tons. She is clipper modeled, and rigged with three masts as a topsail schooner. *Her capacity for stowage is sufficient for 20,000 bushels of wheat.* As a specimen of nautical architecture, we pronounce her in every particular *without a rival on the lakes—the most beautiful and the staunchest vessel we have ever seen on fresh water.* In all her points, throughout, it is apparent that no expense has been spared to give full effect to the judgment and skill of her builder; and that end has been happily accomplished. She is worthy to stand at the head of the fleet of unrivalled vessels hailing from Milwaukee—worthy of the honored name she bears.

After a thorough inspection of the vessel, the company adjourned to the cabin, where a collation, ordered by "John," was in waiting for them. It was discussed, with the "*trimmings*," and we have seldom participated in a more pleasant affair. Our limits will only permit us to give a few of the sentiments offered:—

The Hans Crocker—the noble craft whose planks float us—a monument of the energy and enterprise of our absent friend, W. B. Hibbard, may she long remain the unapproachable Queen of the Lakes.

Capt. John Stuart—the experienced navigator and faithful commander, the frank and honest tar, may he prosperously stem his career thro' the breakers of life until he casts anchor in the quiet port above.

Our friend John Hibbard.—May he long be spared for his friends, and for the special benefit of those who are "barren and desolate;" the smoke that so gracefully curls from his pipe is like the acceptable incense of his generous heart.

[At this stage of the proceedings, the sable steward very politely appeared with a beautiful boquet. "Mrs. Hibbard's compliments to Capt. Stuart," issued from a beautiful black cavern fenced with white pickets. It was a boquet such as only our fair friend, John's lady, can arrange. God bless her!]

W. B. Hibbard.—May he, in the new fields of his enterprise, be as prosperous as he has been in lake navigation; may he live long to freight his own vessels, and always travel on his own railroads.—*Port Huron Commercial.*

Maine Politics.

Boston, July 9.

The Portland, "*State of Maine*," newspaper, hoisted the Fremont and Dayton flag this afternoon, heretofore Straight Whig.

From the New York Courier & Enquirer.

Humboldt and Fremont.

To honor him as a Pioneer of American Discovery, the King of Prussia presented to Colonel John C. Fremont "the great Golden Medal of Progress in the sciences." The medal is of fine gold, massive, more than double the size of the American double eagle, and of exquisite workmanship. On the face is the medallion head of the King, Frederick William the Fourth, surrounded by figures emblematical of Religion, Jurisprudence, Medicine, and the Arts. On the reverse, Apollo, in the chariot of the sun, drawn by four high-mettled, plunging horses, traversing the zodiac, and darting rays of light from his head." This beautiful tribute to the merit of Col. Fremont came to him accompanied with a complimentary letter from Baron Humboldt, of which the following is a translation:

"*To Col. Fremont, Senator:*

"It is very agreeable to me, sir, to address you these lines by my excellent friend, our minister to the United States, M. de Gerolt. After having given you in the new edition of my '*Aspects of Nature,*' the public testimony of the admiration which is due to your gigantic labors between St. Louis, *of Missouri*, and the *coasts of* the South Sea, I feel happy to offer you, in this living token (*dans ce petit signe de vie*) the homage of my warm acknowledgement. You have displayed a noble courage in distant expeditions, braved all the dangers of cold and famine, enriched all the branches of the natural sciences, illustrated a vast country which was almost entirely unknown to us.

"A merit so rare has been acknowledged by a sovereign, warmly interested in the progress of physical geography; the King orders me to offer you the grand golden medal destined to those who have labored at scientific progress. I hope that this mark of the Royal good will, will be agreeable to you at a time when, upon the proposition of the illustrious geographer, Chas. Ritter, the Geographical Society at Berlin has named you an honorary member. For myself, I must thank you particularly also for the honor which you have done in attaching my name and that of my fellow-laborer and intimate friend, Mr. Bompland, to countries neighboring to those which have been the object of our labors. *California, which has so nobly resisted the introduction of slavery, will be worthily represented by a friend of liberty, and of the progress of intelligence.*

"Accept, I pray you sir, the expression of my high and affectionate consideration.

"Your most humble, and most obedient servant,

"A. V. HUMBOLDT.

"Sans Souci, Oct. 7, 1850."

On the envelope thus addressed:

"To Colonel Fremont, Senator,
"With the great Golden Medal,
"For progress in the sciences.
"Baron Humboldt."

The following is the public testimony of the Baron's admiration of the gigantic labors of Fremont, referred to in the letter, as contained in the new or third edition of his "*Aspects of Nature,*" and which, as a reference, becomes a natural appendant to the letter:

"Fremont's map and geographical investigations comprehend the extensive region from the junction of the Kansas river with the Missouri, to the falls of the Columbia, and to the missions of Santa Barbara and Puebla de los Angeles, in New California; or a space of 28 degrees of longitude, and from the 34th to the 45th parallel of latitude. Four hundred points have been determined hyposometrically by barometric observations, and, for the most part, geographically by astronomical observations; so that a district which, with the windings of the route, amounts to 3,600 geographical miles, from the mouth of the Kansas to Fort Van Couver and the shores of the Pacific, (almost 720 miles more than the distance from Madrid to Tobolsk,) has been represented in profile, showing the relative heights above the level of the sea.

"As I was, I believe, the first person who undertook to represent, in geognostic profile, the form of entire countries—such as the Iberian peninsula, the high lands of Mexico, and the Cordilleras of South America, (the semi-prospective projections of a Siberian traveller, the Abbee Chappee, were founded on mere and generally ill-judged estimations of the fall of rivers)—it has given me peculiar pleasure to see the geographical method of representing the form of the earth in a vertical direction, or the elevations of the solid portion of our planet above its watery covering, applied on so grand a scale as has been done in Fremont's map.

Another Vote.—On the In-train of cars from Madison, by the M. & M. Railroad, yesterday, a vote was taken among the passengers, which resulted as follows: Fremont 56, Buchanan 17.

The Work of the New Kansas Bill—The Clearing Out going on Swimmingly in the Territory.

Our last advices show that Col. Sumner is doing up the work with the Free State squatters in fine style. After establishing a cordon along the Kansas boundary to keep out the pestilent abolitionists, the border ruffians have been ably seconded by the President and Col. Sumner's artillery and dragoons, in the dispersion of the Free State Legislature at Topeka.

The Free State party thus being completely silenced in Kansas, and everything being ready in the House at Washington for the bill of Mr. Toombs, now is the time to strike for Kansas as a Slave State. The Senate have paved the way, and in the late order for 20,000 copies of the bill of Mr. Toombs, excluding the free soil party amendments, they have taken the first step for making out a good case before the people. Every rational man knows that this bill means Kansas as a Slave State.

Mr. Toombs is honest enough to admit it, but Mr. Douglas, Mr. Senator Bigler, of Pennsylvania, and Mr. Pugh, of Ohio, deny it, and dodge it, and whip the devil round the stump at a full gallop. Make the bill as pure as the gospel and as clear as the truth in favor of Kansas as a Free State, and give the execution of the law to Mr. Pierce, his five commissioners, his army of dragoons, and his Missouri militia, and Mr. Toombs will be satisfied. The bill means Kansas as a slave State—nothing else; but we say again, that as the South are entitled to it, let the bill pass. But why not confess its object?—*N. Y. Herald, 11th.*

The Railroad.—We are having tangible evidence that the whistle of the locomotive will ere long greet the citizens of Port Huron. The obligations assumed by the Port Huron and Milwaukee Railroad Co. for depot grounds, &c, in this village, amounted to nearly $100,000. On Tuesday last, Mr. E. H. Thompson, as agent of the Co, paid the instalments maturing this month *in full.* The fine office which we announced some weeks since, was being erected on the depot grounds here, is now nearly ready for occupation. It is a handsome building, after the railroad style of architecture, and judiciously planned for business, ventilation, &c. Mr. Stewart, the President, and C. C. Trowbridge, Esq, one of the trustees of the road, is now in England, closing all the necessary negotiations for ample means to put the road in commission. Of the success of their mission, we entertain not the slightest doubt; but even if they shall not succeed, the completion of the road will only be delayed, not prevented.—*Port Huron Commercial.*

Cheap Consolation.—The *Argus* consoles itself every time it hears of a Fremont gathering by calling it a "fizzle." It says the ratification meeting at Janesville, on the 10th, was a "fizzle." If so, it beats all the "fizzles" we have ever seen. It was a "fizzle" at least a mile and a half long—an enthusiastic, uproarious, gigantic "fizzle," at which freemen were gathered by thousands. A few more such and there will not be enough left of the Pierce Buchanan party in this State even to "fizzle."—*Madison Journal.*

☞ The opening of the Land Office for all purposes of sale and entry, to take place on the 4th of August, will greatly quicken business of all kinds here, for the fall. Great competition is expected to take place at the Register's office on that day.—*Stevens P. Pinery, July 11th.*

Washington News.

[Special correspondence of the N. Y. Tribune.]

Washington, July 10.

The Administration is intensely alarmed at Mr. Ball's charge of corruption and bribery on public building expenditures. Capt. Morgan, a one thousand six hundred dollar clerk in the office of Capt. Bowman, Military Architect, was dismissed yesterday in connection with these charges.

Mr. Pennington's speech on Brooks gravels the chivalry. It is much admired for ability and dignified severity.

The conferences of leading Republicans with the North American Committee on the Vice Presidency were friendly and cordial, but the decision is to elect Dayton.

Live Oak George Law's letter is a damper on the Fillmoreans and Buchaneers. It insures union in New York and Pennsylvania.

There are signs of a Southern insurrection against Buchanan. New pledges will probably be required relative to squatter sovereignty.

Diabolical Outrage.

Boston, July 10.

At Brighton, about 1 o'clock this morning, a keg of powder was placed in the kitchen of the house of Thos. Withesen, butcher, and set on fire. The explosion nearly demolished the whole of the lower part of the house, setting it on fire, and breaking the furniture in the parlor into fragments. The houses adjoining were shaken as if by an earthquake. Twelve persons sleeping in the upper part of the house escaped without injury. No trace of the perpetrators could be found.

Fremont in New York.—The N. Y. *Tribune* of Tuesday last enumerates a large number of influential Democratic presses and leaders in that State, now earnestly enlisted under the Fremont flag, and expresses the confident belief that the majority for Col. Fremont, in the Empire State, will not fall short of *Sixty Thousand!*

Indian Battle in Florida.—A desperate battle between the U. States troops and the Indians occurred near Fort Frazier, Florida, on the 1?th ult., in which five white men and sixteen Indians were killed. Lieutenant Carlton was among the killed. The Indians were routed, when they took refuge in a swamp.

Another Change.—The Ithaca *Journal*, for nearly thirty years the Democratic organ in Tompkins county, N. Y., has taken down the Buchanan flag, and run up that of Fremont and Dayton. It is the only paper published in that county.

Telegraph Suit.—A suit has just been tried at Cleveland, in which the Michigan & Erie Telegraph Co. was sued by R. Cook & Co, for the incorrect transmission of a despatch. They directed their Agent to pay 40 cents for wool, but the despatch on delivery read 45 cents. Verdict for the plaintiffs, $650.

Review of Markets, for the Week ending July 15.

Office of the Daily Sentinel,
Milwaukee, July 15, 1856. }

Received by Mil. & Miss. R. R.—4,416 bus wheat, 148 bbls flour, 591 bus corn, 17,322 lbs wool, 1 car load stone.

Received by Railroad during the week—67,869 bus wheat, 710 bbls flour, 623 bales wool, 906 bus corn, and sundries.

Shipped by Lake during week—40,242 bus wheat, 1,255 bbls flour, 149 bbls beer, 29 bales wool, 818 bus malt.

Shipped thus far, for the season, of leading articles:

Flour, bbls	75,684
Pork, bbls	9,715
Lard, bbls	1,535
" kegs	350
Wheat, bus	748,190

Wheat.—The market has undergone very considerable fluctuation during the past week. At the commencement of the week, there were buyers of club wheat at $1,20, and the price rose steadily till Saturday morning, when as high as $1,30 was paid for club. Yesterday the market receded and $1,19 was the ruling figure for club. Winter is very scarce and in demand, at $1,25a1,35. Receipts for the week have been large, including, in the aggregate, some 70,000 bushels. There is still a fair amount of last year's crop in farmer's hands.

Flour.—Rather firmer, with sales of superfine at $4 75a5,50 and of extra at $6,00a6,50.

Rye.—Very little offering, and nominal at 58a62c.

Oats.—In fair request at 33a35c.

Corn.—More active and saleable at 40a43c.

Potatoes.—75a87½c.

Butter.—12a14c.

Pork.—Mess, scarce and selling at $21a22,00 per bbl.

Wool.—A large proportion of the clip has been taken by agents of the Eastern manufacturers and dealers at higher rates than our own buyers are willing to give. We quote:

Common grades	24a26
½ to ¾ Merino	28a33
Full blood	34a36

Freights.—Very dull. Vessels are freely offered at 3c on wheat to Buffalo, and 7c to Oswego.

Weather and Crops.—The weather during the week has been cool and pleasant, with frequent showers. Yesterday it was quite sultry, till evening, when it cleared off bright and cool. The crops promise well all over the State. The winter wheat, according to all accounts, will be about an average, both as to quantity and quality, and the spring wheat, with favorable weather, will yield abundantly.

Crops in Pennsylvania.—The grain harvest has now commenced in good earnest. The prevalence of dry, hot weather, for the past two or three weeks, hastened the ripening of the grain a little earlier than usual. The crop of wheat is good—better than last year, and is plump and bright. The crop of the present year will average a better yield than last, and the aggregate product will be a fourth or third greater. In eastern Pennsylvania, the crop of oats is not equal to last year, owing to the continued warm, dry weather just when the crop most needed rain. But our impression at this time is, that the product in this region will not fall materially short of last year, and we shall be sorry to be mistaken.—*Philadelphia Bulletin.*

Harvesting.—We learn by a Fremont paper, that the farmers of Sandusky and adjoining counties have commenced cutting their wheat, of which there is a large amount on the ground, will be a full yield—the ravages of the weevil having been confined to the blue-stem wheat entirely.—*Sandusky Register.*

Albany, N. Y., July 10.

The tolls collected on all the canals of the State for the month of June, 1856, amounted to $330,7?3 71. For June, 1855, they were $375,945 75.

TONICS WON'T DO!

They never did do more than give temporary relief and they never will. It is because they don't touch the cause of the disease. The cause of all ague and billious diseases is the atmospheric poison called Miasma or Malaria. Neutralize this poison by its NATURAL ANTIDOTE, and all disease caused by it disappears at once. Rhodes' Fever and Ague Cure is this Antidote to Malaria, and moreover it is a perfectly harmless medicine. The certificate of the celebrated chemist, J. R. Chilton, of New York, to this effect, is attached to every bottle; therefore if it does no good it can do no harm.

This is more than can be said of Quinine, Arsenic, or any tonic in existence, as their use is ruinous to the constitution and brings on DUMB AGUE, which never allows a person to feel perfectly well for a single moment. In illustration of these truths I annex some extracts from a letter just received from a Physician:

Georgetown, Ohio March 17, 1856.

Jas. A. Rhodes, Esq:—Dear Sir—Yours of the 2d inst, is at hand. The Cure arrived late last year, and the difficulty in getting any one to try it was greatly increased from the fact that a remedy had been introduced which was growing in favor with the public, as being better than using Quinine—not knowing I presume that the remedy they used to escape taking Quinine, contained the DRUG ITSELF!

This remedy (known as "Smith's Tonic,") would invariably BREAK an Ague, but it did not CURE it, as it would often return with renewed vigor. This one circumstance I deemed in your favor, if I could institute a test comparison between it and your CURE. The following is the result:

Three persons took your "Cure," all of which were cases of "Quotidian Intermittent Fever," of many weeks standing. They had tried Quinine, and other remedies, occasionally missing a chill, but it was (as in all such cases) slowly wearing them out, and laying the foundation of other and severer maladies. I did succeed in effecting a radical cure of all three of these cases with your remedy, and they have not had a chill since. In all three of these cases the "Smith's Tonic" had been used, and would, as before stated, break the chill, but after a period or two had elapsed it would return.

I think there will be no difficulty now in giving to your "Cure" the vantage ground of any other remedy now in use here, &c., &c.

WILLIAM BUCKNER, M. D.

RHODES' FEVER and AGUE CURE, or ANTIDOTE TO MALARIA, the only harmless remedy in existence, is equally certain as a PREVENTATIVE, as a "CURE."—Take it when you feel the chills coming on, and you will never have a single one.

A HUMAN LIFE SAVED.

Dowagiac, Mich., March 11, 1856.

J. A. Rhodes, Esq:—Dear Sir:—As I took your medicine on consignment, "no cure, no pay," I take pleasure in stating its effects as reported to me by three brothers who live in this place, and their testimony is a fair specimen of all I have received:

W. S. Conklin told me—"I had taken nine bottles of Christie's Ague Balsam, and continually run down while using it until my lungs and liver were congested to that degree that blood discharged from my mouth and bowels, so that all thought it impossible for me to live through another chill. The doctors, too, did all they could for me, but thought I must die. Nothing did me any good until I got Rhodes' Fever and Ague Cure, which at once relieved me of the distress and nausea at my stomach and pain in my head and bowels, and produced a permanent cure in a short time."

H. M. Conklin says:—"I had been taking medicine of as good a doctor as we have in our county, and taken any quantity of quinine and specifics without any good result from 25th August to 17th December. But seeing how nicely it operated on my brother, I got a bottle of RHODES' FEVER AND AGUE CURE, which effected a permanent cure by using two-thirds of a bottle."

S. M. Conklin was not here, but both the other brothers say his case was the same as H. M.'s. I sold the medicine to both the same day, and the cure was as speedy from the same small quantity, and I might so specify.

Yours with respect, A. HUNTINGTON.

The above speaks for itself. Good proof as it is, it is of no better tenor than the vast number of like certificates I have already published, and the still greater amount that is continually pouring in to me.

One thing more. Last year I had occasion to caution the public in these words:

"*I notice one firm who have taken one of my general circulars, substituted the name of their nostrum for my medicine, and then with brazen impudence and their pamphlet with the exclamation, 'Let the proprietors of any other medicine say as much if he dare,' &c.*

Now I take pleasure in saying that the Caution referred to the same "Dr. Christie's Ague Balsam" that is mentioned in the above certificate.

There are several other industrious people who are applying to their poisonous trash all that I publish about my Fever and Ague Cure, or Antidote to Malaria, except the Certificates of Cures, and the certificate of the celebrated Chemist, Dr. James R. Chilton, of N. Y., in favor of its HARMLESS CHARACTER, which is attached to every bottle. These will always serve to distinguish my medicine from imitations. JAS. A. RHODES, Proprietor,

Chills and Fever.

TO THOSE who are afflicted with this disagreeable and baffling malady, we would state, that after years of hitherto unavailing research, a medicine has been discovered which will, in every case, effect a certain and permanent cure of this dreaded disease. It is not a quack nostrum prepared to extract money from sufferers, for the proprietor offers to refund the money if a cure is not effected after following the directions. He is assured by the evidence of hundreds of cures which they have effected, that this medicine is in reality the remedy so long desired in the Western country. This valuable medicine is prepared in the form of a pill, from the bark of a shrub, which has proved to be a perfect antidote to Malaria. They are simple and plain in their nature, powerful and active in their operation, and perfectly harmless to the system, having no other than a specific effect upon the disease which is truly wonderful. Some persons have stated that these pills must contain arsenic, or some powerful mineral, owing to their quick effect in curing this disease. The proprietor would state that he will pay one thousand dollars to any chemist who will find one particle of mineral in this composition.

Certificates of cure from persons of the highest respectability can be obtained by calling at the Drug Store of HENRY FESS, Jr., No. 195 East Water street.

N. B. One great recommendation for these pills are, that they only require about five to effect a cure. Enquire for THAYER'S OMEGA PILL, for the immediate cure of chills and fever or intermittent fevers of every description. Prepared and sold wholesale and retail by Fred. W. Thayer, 637 Washington street, Boston.

A REGULAR MEETING of the Trustees of the Fire Department, will be held at Room of Engine Co. No. 2, on Monday the 14th inst., at 8 o'clock P. M.

WE would recommend our invalid readers to give "*Hoofland's German Bitters*" a trial, as we feel assured a medicine that can produce such evidence as the following, in its favor is no humbug:

J. D. SPRING says:

Rockport, Monroe Co., N. Y., Feb. 27, 1855.

"Send me a fresh supply of Bitters immediately. It gives the very best satisfatisfaction. One gentleman had been troubled with Dyspepsia for a long time, and spent the most of last summer at a noted Water Cure establishment, but found no relief whatever, until he used the Bitters. *He is now entirely cured.*"

REV T P PFISTER says:

New Brooklyn, N. Y., 8, 1855.

Dr. C. M. Jackson—Dear Sir—I request you to send me by the first opportunity, three bottle of "Hoofland's German Bitters," and I am glad to state that the Bitters have cured different persons of my acquaintance, when physicians' help was without effect, especially in hemorrhoidal cases (bleeding piles,) the effect and cure was sure and certain.

Dalley's Medical Pain Extractor.

THERE never has been a discovery made in the Materia Medica, whereby pain can be so quickly allayed, and where parts in a high state of inflammation can be so rapidly reduced to their natural state, nor where wounds and sores can be so rapidly and thoroughly healed, and decayed parts restored without scar or defect, than with DALLEY'S MAGICAL PAIN EXTRACTOR.

In cuts, wounds, sprains and bruises—casualties to which children are so constantly subject—the action of the genuine DALLEY'S PAIN EXTRACTOR, is ever the same! How much pain and suffering may not thus be prevented! Moreover, life itself is often dependent upon having on hand the genuine DALLEY EXTRACTOR, and for particulars of which I respectfully refer to my printed pamphlets, for the truth of which I hold myself responsible.

No cases of burns or scalds, no matter how severe, has ever yet, in any one instance, resisted the all powerful, pain-subduing and healing qualities of the DALLEY'S PAIN EXTRACTOR.

No Pain Extractor is genuine unless the box has upon it a Steel Plate Engraved Label with the signature of C. V. CLICKENER & CO, *proprietors*, and HENRY DALLEY, manufacturer. Price 25 cents per box.

☞ All should be addressed to C. V. Clickener & Co, 76 Barclay and 292 Greenwich street, New York.

THE DAILY SENTINEL.

Tuesday Morning, July 15.

CITY MATTERS.

POLICE COURT, JULY 14.

BEFORE CLINTON WALWORTH, POLICE JUSTICE.

Charles McHugh, drunk and disorderly, and resisting officer, sent to jail for 20 days in default of $15 00 fine. William Castle, disorderly, 10 days to County Jail. Catherine Ryan, an old offender was sent to jail for 10 days, for drunkenness and disorderly conduct. Margaret Hurley, disorderly 5 days to county jail. Francis Trevillian, drunk and disorderly fined $3 00 and costs. William Seaman and James Arders, for being disorderly, each fined $3,80

John F Glasser, charged with assault and battery, case was dismissed on payment of costs.

The case of the two pickpockets was adjourned to next Saturday morning, the prosecution not being ready to proceed.

An old man was brought up in the afternoon, so drunk that he fell sprawling on the floor, skinning his nose the whole length of it. He was taken back, with the remark from the officer who had him in custody—"I guess he ain't sober enough yet."

A warrant was issued against a man, now in jail, charging him with attempting to steal from the person of Dr Badler, several dollars in money and a promissory note of the value of $150, thereby committing a misdemeanor.

With all our legislation we have no statute defining the offence of attempting to pick pockets or providing for its punishment!

REAL ESTATE.

Wholesale Business Men, Capitalists —AND— SPECULATORS, ATTENTION!!!

EIGHT COUNTRY SEATS, of 20 acres adjoining each other, within one mile of the city limits, for sale. A golden opportunity for a profitable investment!

Having determined to retire from the profession, and to remove from the State, I now offer for sale my homestead of 160 acres, one mile south of the city limits, and 2½ miles from the Walker's Point Bridge. It is situated upon four corners, and hence has a

MILE OF ROAD AROUND IT,

And cutting it up into eight lots of twenty acres each, with equal fronts upon the road, will give 8 magnificent country seats upon the choice of two roads, or four residences upon each road with forty rods front to each residence, from all of which, when the intervening timber is removed, the City and Lake will both be in view.

The farm has ever been esteemed the best of its size in Milwaukie County. It is a warm, rich, gravel loam especially adapted to fruit and vegetables, and may be divided into four Farms of forty acres each, in a square form, and have living and durable water upon each forty acres, and not a rod of waste in the whole, or any but the best quality of land.

Sixty acres of the farm is now in a good state of profitable cultivation (one half thereof in meadow,) with over forty acres thereof, where the stumps do not average more than one to the acre. Two indifferent log cabins both occupied, and a well finished frame barn, 40 by 44 feet, and upon the premises a thrifty young orchard of *nearly bearing apple trees.*

NINETY ACRES OF THE FARM IS STILL COVERED WITH A Heavy Growth of Unculled Timber,

two thirds of which is sugar maple, interspersed with about 500 large white oaks (of the best quality for ship, stave and wagon timber) and half a dozen black walnut trees, alone worth $15 per tree standing on the ground.

The timber, alone, upon the farm is estimated to be worth, for cord wood only over $10 000.

Having owned the farm some ten years, and during a portion of the time cultivated it with my own hands, and hitherto designed it as my homestead, I am unwilling even now, though I have made up my mind to sell it, to break it up and sell in parcels. To one, or eight, or more I will sell it all at once, for such price as will make it the best purchase that has been made near or in Milwaukie, with in the last two years.

LATER FROM CALIFORNIA!

One Million and Three Quarters in Gold!

GENERAL NEWS!

NEW YORK, July 14, 1856.

The steamer George Law, from Aspinwall, the 5th, arrived early this morning, bringing California mails of the 20th, and $1,700,000 in specie, and 800 passengers. The George Law connected at the Isthmus with the steamer Sonora, with $2 148,000.

The Nicaragua steamer Sierra Nevada, left San Francisco the 20th, with 400 passengers and $125,000 in specie. She took 200 recruits and 7 tons of provisions for General Walker.

The only news of interest at San Francisco relates to the Vigilance Committee. At last accounts they were still in session. Their force consists of 1,000 infantry, 500 cavalry, and five companies of artillery, with 35 pieces of ordnance. Their troops are drilled in several armories in different quarters of the city, and occasionally appear in the streets for regimental drill.

General Wool had refused to send the Governor arms and ammunition, on the ground that he was not authorised to act in the premises, excepting on the order of the President of the United States.

The Committee have thrown up breast works of sand bags in front of their buildings and guarded all approach with cannon. Brass field pieces are mounted on the roof, ready for instant action day or night. Several additional criminals, convicted, before the revolutionary tribunals, of ballot box stuffing, have been banished from the State and sent to sea on foreign bound ships.

The following persons were notified to leave before the 20th: John Crow, J. H. Bagley, Jas. Hennessy, Wm Hamilton, Wm Maguire, James Kissock, M Kelly, J. Turley.

The following have been arrested, and are awaiting trial: Thos. B Cunningham, one of the murderers of Col Weymouth, of New Orleans; Thos Malone, highwayman; Bill Lewis, Robert Tipsey, and Bruce, murderers. All arrests have been made without bloodshed, and chiefly without violence.

The Vigilance Committee Police numbers some 1,000 men, armed with revolvers.

An immense mass meeting was held in the city, on the 16th, by the friends of the Committee. Speeches were made by Hon. Wm Duer and others, fully endorsing the acts of the Committee.

Florence Kelley, one of the men ordered to leave, refused, and was taken into custody.

Gen Sherman has resigned his commission as Major General of the State troops of California, in consequence of the refusal of Gen Wool to furnish them with arms and ammunition.

Gov. Johnson was highly incensed at the action of Wool.

The State Militia, encamped near San Francisco, are said to number but a few hundred, and but little fear is entertained of a collision.

SAN FRANCISCO MARKETS.—Fair demand for breadstuffs, Gallego flour, 14,60, Haxall 15,50.

Bacon sides, 1,50.

Pickled hams, 16c.

Whiskey, 45c.

Miners are said to be doing a fine business in all quarters.

Mr North, Marshal of San Francisco had resigned.

Grain crops of California generally very favorable.

A treaty of commerce extradition and amity has been been concluded between the United States and Chili.

Congressional.

WASHINGTON, July 14.

The Senate, this morning, passed several private bills. In the House an ineffectual attempt was made to take up the adjournment resolutions. The House refused to suspend the rule.

HOUSE.—Mr Campbell of Ohio, asked for a further consideration of the report on the Sumner case until Wednesday, for the reason that the majority of the Committee have developed to them some facts affecting one of the parties implicated, and they wished to consider the propriety of offering an amendment to the pending resolutions—to these objections were made.

Mr Meacham, of Vermont, moved the previous question—motion agreed to.

Mr. Edmondson, of Virginia, by general consent, made a statement affecting himself.

Pennsylvania Politics.

HARRISBURG, July 9.

The Republican State Committee met to day. Various plans were discussed for conducting the campaign. Northern and Western members gave assurance that the majority for Fremont and Dayton would be unprecedented, and spoke confidently of carrying Pennsylvania.

"PRO BONO PUBLICO."

W. LAIDLAW'S LAND AGENCY, office 230 East Water Street 2 doors south of Walker House. I beg to return thanks to the public for the liberal patronage bestowed upon me during the time I have been engaged in the real estate business, and I do so with all the more pleasure on account of having received the most striking proofs of the manner in which my services are appreciated. Those who have patronized me know well, and will cheerfully testify to, the advantages which I offer. My principles are straight forward, honorable and honest. I never require any one leaving the sale of property in my hands to sign any written obligation of whatever nature or kind soever binding him to pay a commission anyhow, but adopt the principle of "*No sale no charge.*" The great increase of business has compelled me to enlarge my office, which now being finished, is the most convenient and less able in the city, and as the list of property I offer for sale is second to none, I would strongly recommend those who wish to be well served to make my office their head quarters. I have prepared a new map of the city, which exhibits at one glance, and in striking colors, all the best and most desirable property offered for sale. may17

Famous Chance for a New Comer or an Old Settler!

VALUABLE FARM AND WATER POWER for sale. I will sell one of the best farms in the State, with a moderate cash payment, and on easy terms, or exchange same for city property.

Said farm is situated 20 miles from Milwaukee, on a Plank Road and 3 miles from a depot on the Milwaukee and Mississippi Railroad, and comprises 860 acres, of which 789 acres are fenced, improved, and partly cropped. There are on said farm one frame house, one log house, one large frame barn and any number of sheds, &c., a fine orchard, beautiful springs and a running stream with a considerable fall, the dam is built and a large portion of timber collected on the spot for the erection of a mill, which in that neighborhood would prove a largely paying investment. The property is owned jointly by two parties who are desirous of dividing and settling up their joint interests, and for this reason offers a rare chance for an enterprising man to make a good strike.

CITY MATTERS.

POLICE COURT, JULY 14.

BEFORE CLINTON WALWORTH, POLICE JUSTICE

Charles McHugh, drunk and disorderly, and resisting officer, sent to jail for 30 days, in default of $15 00 fine. William Castle, disorderly, 10 days to County jail. Catharine Ryan, an old offender, was sent to jail for 30 days, for drunkenness and disorderly conduct. Margaret Hurley, disorderly, 5 days to county jail. Francis Trevillian, drunk and disorderly, fined $5 fine and costs. William Seaman and James Anders, for being disorderly, each fined $4 00.

John F Graser, charged with assault and battery; case was dismissed on payment of costs.

The case of the two pickpockets was adjourned to next Saturday morning, the prosecution not being ready to proceed.

An old man was brought up in the afternoon, so drunk that he fell sprawling on the floor, skinning his nose the whole length of it. He was taken back, with the remark from the officer who had him in custody—"I guess he ain't sober enough yet."

A warrant was issued against a man, now in jail, charging him with attempting to steal from the person of Dr Bradley, several dollars in money and a promissory note of the value of $ 50, thereby committing a misdemeanor.

With all our legislation we have no statute defining the offense of attempting to pick pockets or providing for its punishment.

Clear days, 3; cloudy, 1; clear and cloudy, 3. Rain fell Wednesday and Friday.

THE HANS CROCKER.—This noble vessel, the pride of our Milwaukee fleet, excites, as we anticipated, the unbounded admiration of our contemporaries along the Lakes. Her arrival at Port Huron, on the St. Clair River, was signalized by an ovation of which we copy a brief account from the Port Huron *Commercial*.

PROPERTY ON SPRING STREET.—Mr. GIFFORD offers for sale some very desirable lots on Spring Street of the right size and at the right distance from the business portion of our city, to make delightful residences.—The widening and other improvements on Spring Street now in progress, will make this the finest avenue leading out of our city. See advertisement.

COLD SPRING COURSE—TROTTING.—The proprietor of the Cold Spring Course offers a number of purses, to be trotted for this week, commencing to day with a purse of $100, free to all second class horses, best three heats out of five, in harness. A number of fast trotters from Chicago and elsewhere, will compete for these purses.

TARGET EXCURSION.—The Light Guard celebrate their first Anniversary to morrow by a Target Shoot at the Layton House, kept by JACK BARNETT, 2½ miles from the city, on the Janesville Plank Road. Messrs. Toms & Hoss, Jewelers, have given a handsome silver cup, as a prize for the best shot. No doubt others of our citizens will be equally liberal.

EXCURSION POSTPONED.—We are requested to say that the excursion of Sabbath Schools to Racine is postponed till *to morrow*. Arrangements have been made by which the cars will return at an early hour, reaching here at half past 5 o'clock P. M.

FIFTH WARD LOTS AT AUCTION.—Mr. WALL desires us to say that the Fifth Ward Lots which he will offer at auction, this morning are 50 feet front by 140 ft. deep, eligibly situated, good title, and to be had on easy terms. Don't lose the chance.

VOTE AT THE CORN EXCHANGE.—A vote for President was taken yesterday, after the adjournment of Corn Exchange, which resulted as follows: Fremont 28, Fillmore, (Buffalo men,) 2, Buchanan 1.

RAILROAD IRON.—The schooners *Echo* and *Dardanelles*, from Oswego, are discharging cargoes of Rail Road Iron at this port, for the La Crosse and Milwaukee R R.

REAL ESTATE.

Wholesale Business Men, Capitalists
—AND—
SPECULATORS, ATTENTION!!!

EIGHT COUNTRY SEATS, of 20 acres adjoining each other within one mile of the city limits, for sale. A golden opportunity for a profitable investment.

Having determined to retire from the profession, and to remove from the State, I now offer for sale my homestead of 160 acres, one mile south of the city limits, and 2½ miles from the Walker's Point bridge. It is situated upon four corners, and hence has a

MILE OF ROAD AROUND IT,

And cutting it up into eight lots of twenty acres each, with equal fronts upon the road, will give 8 magnificent country seats upon the choice of two roads, or four residences upon each road, with forty rods front to each residence, from all of which, when the intervening timber is removed, the City and Lake will both be in view.

The farm has ever been esteemed the best of its size in Milwaukie County. It is a warm, rich, gravel loam especially adapted to fruit and vegetables, and may be divided into four Farms of forty acres each, in a square form, and have living and durable water upon each forty acres, and not a rod of waste in the whole, or any but the best quality of land.

Sixty acres of the farm is now in a good state of profitable cultivation (one half thereof in meadow,) with over forty acres thereof, where the stumps do not average more than one to the acre. Two indifferent log cabins, both occupied, and a well finished frame barn, 40 by 44 feet, and upon the premises. A thrifty young orchard of *nine-ty bearing apple trees*.

NINETY ACRES OF THE FARM
IS STILL COVERED WITH A
Heavy Growth of Unculled Timber,

two thirds of which is sugar maple, interspersed with about 500 large white oaks (of the best quality for ship, stave and wagon timber,) and half a dozen black walnut trees, alone worth $15 per tree standing on the ground.

The timber, alone, upon the farm is estimated to be worth, for cord wood only, over $10,000.

Having owned the farm some ten years, and during a portion of the time cultivated it with my own hands, and hitherto designed it as my homestead, I am unwilling even now, though I have made up my mind to sell it, to break it up and sell in parcels. To one, or eight, or more. I will sell it all at once, for such price as will make it the best purchase that has been made near or in Milwaukie, within the last two years.

PETER YATES.

LATER FROM CALIFORNIA!

One Million and Three Quarters in Gold!

GENERAL NEWS.

NEW YORK, July 11, 1856.

The steamer George Law, from Aspinwall, the 5th, arrived early this morning, bringing California mails of the 20th, and $1,700,000 in specie, and 300 passengers. The George Law connected at the Isthmus with the steamer Sonora, with $2,143,000.

The Nicaragua steamer Sierra Nevada, left San Francisco the 20th, with 400 passengers and $125,000 in specie. She took 200 recruits and 7 tons of provisions for General Walker.

The only news of interest at San Francisco relates to the Vigilance Committee. At last accounts they were still in session. Their force consists of 4,000 infantry, 500 cavalry, and five companies of artillery, with 35 pieces of ordnance. Their troops are drilled in several armories in different quarters of the city, and occasionally appear in the streets for regimental drill.

General Wool had refused to send the Governor arms and ammunition, on the ground that he was not authorised to act in the premises, excepting on the order of the President of the United States.

The Committee have thrown up breast works of sand bags in front of their buildings and guarded all approach with cannon. Brass field pieces are mounted on the roof, ready for instant action day or night. Several additional criminals, convicted, before the revolutionary tribunals, of ballot-box stuffing, have been banished from the State and sent to sea on foreign bound ships.

The following persons were notified to leave before the 20th: John Crow, J H Bagley, Jas. Hennessy, Wm Hamilton, Wm Maguire, James Kissock, M Kelly, J. Turley.

The following have been arrested, and are awaiting trial: Thos B Cunningham, one of the murderers of Col. Weymouth, of New Orleans; Thos. Malone, highwayman; Bill Lewis, Robert Tipsey, and Bruce, murderers. All arrests have been made without bloodshed, and chiefly without violence.

The Vigilance Committee Police numbers some 1,000 men, armed with revolvers.

An immense mass meeting was held in the city, on the 16th, by the friends of the Committee. Speeches were made by Hon. Wm. Duer and others, fully endorsing the acts of the Committee.

Florence Kelley, one of the men ordered to leave, refused, and was taken into custody.

Gen Sherman has resigned his commission as Major-General of the State troops of California, in consequence of the refusal of Gen Wool to furnish them with arms and ammunition.

Gov. Johnson was highly incensed at the action of Wool.

The State Militia, encamped near San Francisco, are said to number but a few hundred, and but little fear is entertained of a collision.

SAN FRANCISCO MARKETS.—Fair demand for breadstuffs, Gallego flour, 14,50, Haxall 15,50.

Bacon sides, 1,50.
Pickled hams, 16c.
Whiskey, 45c.

Miners are said to be doing a fine business in all quarters.

Mr. North, Marshal of San Francisco had resigned.

Grain crops of California generally very favorable.

A treaty of commerce extradition and amity has been concluded between the United States and Chili.

Congressional.

WASHINGTON, July 14.

The Senate, this morning, passed several private bills. In the House an ineffectual attempt was made to take up the adjournment resolutions. The House refused to suspend the rules.

HOUSE.—Mr. Campbell of Ohio, asked for a further consideration of the report on the Sumner case until Wednesday, for the reason that the majority of the Committee have developed to them some facts affecting one of the parties implicated, and they wished to consider the propriety of offering an amendment to the pending resolutions—to these objections were made.

Mr. Meacham, of Vermont, moved the previous question—motion agreed to.

Mr. Edmondson, of Virginia, by general consent, made a statement affecting himself.

Pennsylvania Politics.

HARRISBURG, July 9.

The Republican State Committee met to day. Various plans were discussed for conducting the campaign. Northern and Western members gave assurance that the majority for Fremont and Dayton would be unprecedented, and spoke confidently of carrying Pennsylvania.

"PRO BONO PUBLICO."

W. LAIDLAW'S LAND AGENCY, office 230 East Water Street, 2 doors south of Walker House. I beg to return thanks to the public for the liberal patronage bestowed upon me during the time I have been engaged in the real estate business, and I do so with all the more pleasure on account of having received the most striking proofs of the manner in which my services are appreciated. Those who have patronized me know well, and will cheerfully testify to, the advantages which I offer. My principles are straight forward, honorable and honest. I never require any one leaving the sale of property in my hands to sign any written obligation of whatever nature or kind soever, binding him to pay a commission anyhow, but adopt the principle of "*No sale no charge.*" The great increase of business has compelled me to enlarge my office which now, being finished, is the most convenient and desirable in the city and as the list of property I offer for sale is second to none, I would strongly recommend those who wish to be well served to make my office their head quarters. I have prepared a new map of the city, which exhibits at one glance, and in striking colors, all the best and most desirable property offered for sale. may17

Famous Chance for a New Comer or an Old Settler!

VALUABLE FARM AND WATER POWER for sale. I will sell one of the best farms in the State, with a moderate cash payment, and on easy terms, or exchange same for city property.

Said farm is situated 29 miles from Milwaukee, on a Plank Road and 3 miles from a depot on the Milwaukee and Mississippi Railroad, and comprises 860 acres, of which 789 acres are fenced, improved, and partly cropped. There are on said farm, one frame house, one log house, one large frame barn and any number of sheds, &c, a fine or hard beautiful springs and a running stream with a considerable fall, the dam is built and a large portion of timber collected on the spot for the erection of a mill, which in that neighborhood would prove a largely paying investment. The property is owned jointly by two parties who are desirous of dividing and settling up their joint interests, and for this reason offers a rare chance for an enterprising man to make a good strike.

PATENT SHINGLE MILL

EVARTS & BUTLER,
PROPRIETORS & MANUFACTURERS,
CHICAGO, ILLINOIS.

THE SMOOTHNESS OF THE WORK WHICH GIVES this Mill its superiority is produced by sawing the cut in the direction of the fibre of the wood.

The ease with which wood is worked in that direction gives rapid speed of execution, and the flexibility of the shingle widthwise relieves the saw, so that it may be ground thin on its edge, so as to cut away but little of the wood.

The shingles now made with this mill sell in this market seventy five cents per thousand higher than any other sawed shingles.

This mill is made entirely of iron—strong, simple and of the best workmanship, easily worked, and not liable to get out of order.

IS STILL IN FULL BLAST, WORKING DAY AND night to supply the daily increasing wants of the Badger and other States.

In order the better to do this the proprietors have erected a large brick Foundry in addition to their former premises. They have added to their stock of Tools a large Planing or Shaping Machine, three Lathes, and a Machine for making bolts, and are now putting in a Steam Engine of — horse power to drive the whole, thereby adding to their former facilities for the successful carrying on of the Foundry, Machine, Engine and Blacksmithing business. In regard to the character of the work got up by this

The Oldest Establishment in the State

the Proprietors refer to that in successful operation throughout the country as their best recommendation, as it can speak for itself. All they can say is, that they are both PRACTICAL MECHANICS, and know how work should be done as well as the next man.

They continue to manufacture FLOUR and SAW MILL GEARING, and STEAM ENGINES, on the most approved principle.

They have always on hand a large stock of BRASS WORKS, such as GUAGE AND OTHER COCKS, OIL CUPS AND COCKS, and STEAM WHISTLES. Also TURTON'S FILES, which they will sell at the lowest cash price.

They are also Agents for EASTMAN'S PATENT STEAM GUAGES, which are well worth the attention of all those who use Steam Engines.

In conclusion, they invite a continued share of the patronage of their old friends, and solicit a call from all those in want of Saw or Flouring Mill Work, assuring them that no exertions will be spared to render the Old Eagle worthy of the reputation it has already gained.

F. M. LANE'S
PERMANENT GLOSS PAINT.
Important Improvement in Painting!

A PERMANENT GLOSS PAINT for interior work has long been a desideratum. *All paints prepared from Linseed Oil, will rapidly turn from the lightest and most opposite tints to the yellow color of the oil itself, the change being the more rapid as the paint is excluded from the full light of day.*

The subscriber, after a sufficiently long experience in its use, can recommend it as the only Gloss Paint in which this important defect is effectually remedied. This beautiful paint can be applied of any color, from the purest white, resembling enamel or porcelain, to all the different varieties of tints, suitable for private dwellings, Churches, Hotels, &c., whilst in brilliancy and richness of surface it surpasses all other paints, it possesses superior advantages in retaining permanently even the most delicate colors with which it is combined.

Also, Plain and Ornamental Painting, decoration of Private Dwellings, Churches, &c., Sign and Fancy Painting.

PINNEY YOUNGS' PATENT SAWING MACHINES.
PATENTED JANUARY 30, 1855.

THESE CELEBRATED SIDING MACHINES are the only Machines that do or can cut both ways, and thus avoid loss of time in going back. They cut with ease, when properly attended, Fifteen Hundred Feet per Hour. They are not more complicated, nor more likely to get out of repair, than any other Siding Machine. A Machine on this plan for sawing wide lumber in connection with an upright saw for slabbing the logs, will exceed anything in existence. We have sold a large number of the Siding Machines, all of which have given the most perfect satisfaction. They are

MANUFACTURED ON THE WATER POWER, IN THE CITY OF MILWAUKEE,

Under the supervision of the inventor, where Machines may be obtained, on application to

PINNEY YOUNGS & CO.

We subjoin the following Testimonials of the estimation they are held in by purchasers:

MANISTEE, Michigan, October 1st, 1855.

PINNEY YOUNGS & CO.

Gentlemen:—In answer to your inquiry as to how I am pleased with the Siding Machine of Pinney Youngs' Patent you sold me, I can truly say it is better than recommended. It far exceeds my expectations. To give you an idea of what can be done with it, I will give you an account of a few hours sawing. It cut in four hours and twenty minutes, Eight Thousand Nine Hundred and Sixty Feet of Lumber, superficial measure, and that in the most perfect manner.

Yours truly
(Signed) SAMUEL POTTER.

MILWAUKEE, March 26th, 1856.

We have one of "Pinney Young's Patent Sawing Machines" in operation, and would say that it is all that it is represented to be, and gives perfect satisfaction.

MEDICAL.

DR. WEAVER'S
CANKER & SALT RHEUM SYRUP & CERATE.

IT IS AN UNDISPUTABLE FACT THAT the above medicines are the only infallible remedies now before the public for cutaneous Eruptions, Salt Rheum, Erysipelas, Sore Legs, Ulcers, Old Fever Sores, Scald Head, *Scrofulic Eruptions, &c., &c.*

Cases that the most eminent Physicians have despaired of relieving, immediately yielded to their active powers and when used in accordance with the printed directions, which accompany each bottle, the Syrup and Cerate combined eradicates any of the above named diseases, and leaves the sufferer without a blemish. These medicines are too well known to require anything more than a plain statement of facts. The joyful intelligence is arriving daily from East, West, North and South, of wonderful cures they are preforming.

See what is said by those who have used these medicines.

The Rev Samuel Henry, of Palmer, Mass., says, "they have done me more good than all the other medicines I have used for Erysipelas."

Capt. William Vail, of the steamer Granite State, says "they have cured my daughter of Salt Rheum and Scald Head of six years' standing. She was literally covered with sores, is now perfectly cured by the use of the Syrup and Cerate."

Dr. A. J. Johnson, of North Wardsboro, Vt., says, "a Scrofulous disease of the hip joint, and Scald Head in the same child, have been cured by the Syrup and Cerate."

Rev August Bolles says "it has cured the Salt Rheum in my leg."

J. Hatfield Fraser, Esq., editor of the Somerset Whig, Somerville, N. J., says "my mother has been completely cured of a severe case of Tetter of long standing, that had defied the skill of the best Physicians."

Hon Joel Loomis, of East Lyme, Conn., says, "I was completely cured of Erysipelas in my legs, after a council of the best Physicians in the County had pronounced the disease incurable, (at my age which was seventy eight years, but Weaver's Syrup and Cerate did the work at once."

Elias Latham, Esq., of Orient, Long Island, N. Y., says, "I hardly know how to express my gratitude to you and your medicines. I have been afflicted for more than thirty years with Salt Rheum in its worst form. I tried several Physicians in New York, Brooklyn and Greenport. I have dieted and taken medicines enough to float a pretty large boat, but they did me no good. I have taken your medicines one year, and am now able to work and sleep without an ache or a pain, and my neighbors say I am the sprightliest man on the Island."

The Rev. J. S. Swan, of New London, says, I have used the Syrup and Cerate in my family for more than a year and I consider it completely adapted to sustain the high reputation that is claimed for it. I have seen it used in a number of cases for Salt Rheum and Erysipelas, with entire success.

Ask Seth Prisbery, of Taunton, Mass. what the medicines will do, ask William Barber, of Three Mile Bay, Jeff Co., N. Y., what the syrup has done for him, ask G. F. & W. H. Boynton, of Perkinsville, Vt., ask F. L. Kent, of Chicago, Ill., ask Martha Cottle, of Martha's Vineyard, Mass., ask Wm F. Keables, or Wm P. Benjamin, Esqs., of New London; ask Dr. H. M. Murdock, of Pulaski, N. Y., ask J. C. Smith, of Brooklyn, N. Y., who was cured of Scrofula, after losing his leg by the disease, and suffering for years, has been perfectly cured by the use of the Syrup & Cerate, ask Curtis Borrough, of Shelby, N. Y., who has been cured of a severe case of Salt Rheum, ask Chas. Akin of Hume, N. Y., what the Syrup and Cerate will do for sore legs, ask Winslow and Slatter, Merchants, Virgil, N. Y., what it will do for Fever Sores. In a word, ask every body who has ever tried these wonderful medicines, and the answer will be the same—THEY CURE.

Manufactured by S. A. Weaver & Co., Sole Proprietors, New London, Ct. and for sale everywhere.

TO THE MILLION!
READ AND JUDGE FOR YOURSELVES

PROFESSOR WOOD'S Hair Restorative is no doubt the most wonderful discovery of this age of progress, for it will restore, permanently, grey hair to its original color, cover the head of the bald with a most luxuriant growth, remove at once all dandruff and itching, cure all Scrofula and other cutaneous eruptions, such as scald head, &c. It will cure as if by magic, nervous or periodical headache, make the hair soft, glossy, and wavy, and preserve the color perfectly, and the hair from falling, to extreme old age. *We could give the testimony of more than one hundred thousand to the truth of every word we have written.* See circular and the following.

CARLYLE, Ill., June 29, 1855.

I have used Prof Wood's Hair Restorative, and have admitted its wonderful effect. My hair was becoming, as I thought prematurely grey, but by the use of his Restorative it has resumed its original color, and I have no doubt permanently so.

SIDNEY BREESE,
Ex Senator United States

VINCENNES, Ind., June 10, 1853

Prof O. J. Wood. Dear Sir:—As you are about to manufacture extensively and vend your recently discovered Hair Restorative, I will state for whomsoever it may concern, that I have used it and known others to use it, that I have for several years been in the habit of using other hair restoratives, and that I find yours vastly superior to any other I know. It entirely cleanses the head from dandruff, and with one month's proper use will restore any person's hair to the original youthful color and texture, giving it a healthy, soft and glossy appearance, and all this without discoloring the hands that apply it, or the dress on which it drops. I would therefore recommend its use to every one desirous of having a fine color and texture of hair.

Respectfully yours,
WILSON KING

A gentleman of Boston writes to his friends in New Bedford, thus:

To your inquiries I would reply that when I first commenced using Professor Wood's Hair Restorative, my hair was almost white, and had been so for the last ten years, and it was very thin on the top of my head, and very loose and pulled out freely, but I found that before I had used the second bottle up (which was eight weeks) my hair was entirely changed to its original color (light brown) and is now free from dandruff and quite moist. I have had my hair cut five or six times since the change, and have never seen anything like white hair starting from the roots, and it is now as thick as it ever was, and does not come out at all. It has proved in my case all that I could wish or ask.

July 1, 1854. Yours, &c., ——

GARDINER, Me., June 22, 1855

Mr Dyer. Dear Sir: I have used two bottles of Prof. Wood's Hair Restorative and can truly say it is the greatest discovery of the age for restoring and changing the hair. Before using it, I was as grey as a man of seventy. My hair has now attained its original color. You can recommend it to the world without the least fear, as my case was one of the worst kind.

Yours, &c.,
DANIEL N. MURPHY

ST LOUIS, March 1, 1856.

Prof Wood:—My hair commenced falling off some three or four years since, and continued to do so until I became quite bald. I tried all the popular medicines of the day, but to no effect. At last I was induced to try your celebrated Hair Restorative, and am happy to say it is doing wonders. I have now a fine growth of young hair, and cheerfully recommend its use to all similarly afflicted.

A. C. WILLIAMSON,
138 Second Street

ST. LOUIS, June 23, 1853

Prof Wood:—As you are about to prepare and vend your recently discovered Hair Restorative, and as you request my opinion of it, I will state that my hair was, a few months ago, very grey, and after using two bottles of your Hair Restorative, it assumed its original color, and since its application all dandruff has disappeared from my head, and I have been troubled with no disagreeable itching of the scalp. I am satisfied those who use it will not regret it, as it gives the appearance of having been recently oiled. I am prepared, therefore, to recommend its use to all who are desirous of having a beautiful head of hair.

I am, sir, yours, &c.,
H. I. STEWART

HELMBOLD'S GENUINE PREPARATIONS

HELMBOLD'S HIGHLY CONCENTRATED
Compound Fluid Extract Buchu

A CERTAIN, safe, and effectual remedy for Diseases of the Bladder, Kidneys, Gravel, Dropsy, Obstructions, *Female Complaints*, and all Diseases of the Sexual Organs, whether in Male or Female, from whatever cause they may have originated, and no matter of how long standing.

This popular and specific remedy is now offered to the afflicted, and guaranteed to cure all the above complaints. It searches out the very roots of the diseases, driving out all the diseased fluids of the body, thus removing the cause and rendering the cure certain and permanent.

This medicine allays pain and inflammation, which other remedies invariably cause, *and can be taken with less* trouble and expense to patients. This infallible remedy has saved thousands from the hands of merciless quacks, if not from premature graves. In cases of infections the Compound Buchu is the only article worthy of the confidence of the afflicted in performing safe cures. It contains no narcotic, or other injurious drug but is a purely VEGETABLE COMPOSITION. *It is very agreeable to the taste*, creates no perceptible odor, and may be taken by persons of either sex, without hindrance from business or medical advice, as plain directions for use accompany the medicine. Reader, if you have any of the above complaints, do not neglect them, DELAYS ARE DANGEROUS. With this medicine you can cure yourself, and thus prevent all exposure.

Truth must and will prevail. This medicine speedily and effectually cures the most virulent form of secret diseases, and eradicates every particle of infectious matter from the system, restoring the patient to a perfect state of health and purity. And as a medicine which must benefit everybody, from the simply delicate to the confined and despairing invalid, no equal is to be found, it acting both as a cure and preventive of any of the above ailments.

HELMBOLD'S HIGHLY CONCENTRATED
Compound Fluid Extract of
SARSAPARILLA.

For purifying the Blood, removing all diseases arising from excess of Mercury, exposure and imprudence of life, chronic constitutional disease, arising from an impure state of the Blood, and the only reliable and effectual known remedy for the cure of Scrofula, Salt Rheum, Scald Head, Ulcerations of the Throat and Legs, Pains and Swellings of the Bones, *Tetter*, Pimples on the Face, and all Scaly Eruptions of the Skin.

It is gratifying to the proprietor of these medicines to be able to state that it is now *nearly three* years since they were first introduced, during which time they have been extensively used in various parts of the United States and have given to patient and practitioner the highest degree of satisfaction in the various cases in which they have been employed, whether in town, country, hospital or private practice, they have invariably given the most *decided and unequivocal satisfaction*, and produced the most salutary and beneficial effects. Numerous letters have been received from the most distinguished physicians in the country, and from the professors of several medical colleges, recommending in the highest terms the value of these medicines and their superiority over all other preparations for such complaints as the proprietor recommends. Numerous preparations of *Sarsaparilla* and of *Buchu* and various modes of preparing them have been given, all of which of course will differ according to the mode of preparation which each individual may adopt.

These medicines require considerable care in the preparation and the employment of different menstrua in successive operation to take up the extractive matters and in consequence, are most frequently improperly made and not unfrequently much impaired, if not rendered totally inert, by the injudicious and unskillful management of *those* unacquainted with pharmaceutical preparations.—It is, therefore, of the highest consideration and importance to the public and to the faculty that there should be standard preparations of uniform strength and possessing the most advantages. To effect this and obviate the evil alluded to, I have made a number of experiments to ascertain the most effectual mode of extracting the virtues *of the Sarsaparilla and Buchu*, and to discover the *most* eligible form for their exhibition. The experiments have resulted most favorably, and it is with much pleasure I now offer to the public and the faculty my Compound Fluid Extracts, which contain all the virtues of the articles they are represented to be made from in a highly concentrated form, and are the most active preparations which can be made. Two tablespoonfuls of the Extract Sarsaparilla added to a pint of water, is equal to the Lisbon diet drink, and one [illegible] gallon of Syrup Sarsa[illegible] made.

PRICES.

Fluid Extract Buchu, $1 per bottle or 6 for $5
